# SUMMER DAY CAMPS 2017

**Ossining Recreation Day Camps...THE place to be this summer!**

### What's in a name?

Although our summer day camp program remains much the same...we are making changes to our camp names. Nothing major, just some new names for the same great camps!

#### **New camp names for 2017:**

1. **Little O Camp** @ Brookside - for children entering Pre-K and Kindergarten in Fall 2017
2. **Camp Ossining** @ Ryder Park - for children entering 1st thru 4th grades in Fall 2017
3. **Camp Ossining** @ Claremont - for children entering 1st thru 4th grades in Fall 2017
4. **Big O Camp** @ Veterans Park - for children entering 5th thru 8th grades in Fall 2017

Are you looking for a quality day camp program that is convenient, affordable and filled with fun and engaging activities? Do you want your child to be active, creative and entertained this summer? Does a 6-week day camp program run by professional camp administrators and staffed with responsible counselors sound right for your child? Then the Ossining Recreation's 2017 Day Camp program is for you!

We offer day camps filled with opportunities for campers to be active, be creative and be themselves! The 2017 season will be an exciting year to attend our camps! Depending on what camp your child attends, campers will have the opportunity to take advantage of activities such as: swimming in our indoor pool, spray park areas, arts and crafts, music, dance, theme days, special events, performers, trips, camp carnival and more!

Our department's goal is to offer safe, fun and affordable day camps for the residents of Ossining. Our staff are courteous, professional and always looking out for the well being of our campers. The camp administrative staff have years of experience not only in a camp setting, but as educators, counselors, nurses, coaches and parents.

Ossining Recreation camp programs take place in our parks, Community Center and designated school buildings as approved by OUFSD. All camps are permitted by the Westchester County Department of Health and adhere to all regulations set by the County and State Health Departments.

If you have any questions regarding our camp programs, please feel free to contact the Ossining Recreation Department at 914-941-3189. Make sure to visit the "Recreation & Parks" page of the Village's website, [www.villageofossining.org](http://www.villageofossining.org), for additional program and registration information as it becomes available.
