Expanding Community Connections

Thanks to everyone who stopped by for my first **Open Office Hours on the Road!** We talked about everything from the Village noise ordinance, to immigration policy, keeping kids healthy, and reliable mail service. Special thanks to Virginia Benedict who snapped this pic of my conversation with Post Master Lorenzo Robinson. I'll be scheduling another Open Office Hours on the Road event soon, and will let you know when the time and location are confirmed.

Connecting This Week

Open Office Hours will be happening tomorrow from 10am-12noon in the Board of Trustees office at Village Hall. As usual, no appointment is necessary, and all are welcome to discuss any topic, concern or idea of interest to you.

Have a burning question or idea, at any hour of the day or night?... Email me (mayor@villageofossining.org), the Board of Trustees (bot@villageofossining.org) or Village Manager Debbie McDonnell (dmcdonnell@villageofossining.org).

Meetings Week

This week includes two public meetings involving the Village Board, both at special times and locations:

- Tuesday, July 10 at the Community Center, at 8pm there will be a joint Work Session of the Board of Trustees, the Zoning Board of Appeals and the Planning Board to discuss proposed Local Law #3, changes to the Village Affordable Housing Program. Work Sessions are an opportunity for Village officials to consider potential policy or legislative changes. This meeting will not include public comments.
- Wednesday, July 11 at the Ossining Public Library, at 7pm the Village Board Work Session will focus on environmental concerns including presentations from the Environmental Advisory Council, Green Ossining, and a discussion of proposed legislation limiting the use of leaf blowers. Community members will be invited to comment at the end of the presentations.

Summer Jazz on the Hudson!

Tonight kicks off the Summer Jazz series happening every other Monday evening in July and August at Henry Gourdine Park.

As if you needed another excuse to enjoy Ossining's waterfront, now you can mark your calendar for four summer Mondays. Grab a blanket and a picnic, and meet up with friends for a free concert.

Henry Gourdine Park, and its giant sculptures, are more than a subject for local reporters. While you're enjoying the jazz, the sunset, or watching young ones on the playground, be sure to check out the panels on the kiosk that tell the history of Ossining's waterfront.
