### Housing Front & Center

A multi-pronged approach to addressing our housing challenges continues to be a priority for this Board of Trustees. Last week we called for a public hearing on a new law to update and strengthen our Landlord Tenant Relations Council. This code update moves forward the first two recommendations brought to us by the Landlord Tenant Relations Council Subcommittee. [Click here to view the presentation and discussion](#) of all five recommendations that took place at the August 23 Work Session.

Special thanks to the Village Recreation & Parks Department, with support from the Ossining Police and

Public Works Departments, to make last weekend's Fall Family Fun Day a big success! And thanks to all the families who came down to paint pumpkins, make bird feeders, dance to fun Halloween tunes, and enjoy the hayride!

### Connecting This Week

Join me for **Open Office Hours** at my regular Tuesday schedule from 10am-12noon. I'll be at the Board of Trustees office at 16 Croton Avenue ready to hear from community members on any topic, concern or idea of interest to you. No appointment necessary.

Join me for the **Weekly Walk** this Friday, October 13 at 10:30am. We'll meet at the Claremont Avenue entrance of Dale Cemetery, then walk a loop of Havell and Van Corlandt. While Office Hours take place at a consistent time each week, stay tuned to the Monday Mayor's Message where I announce the time and location that week.

Have a burning question or idea, but can't make it to Office Hours or the Weekly Walk?... Email me ([mayor@villageofossining.org](mailto:mayor@villageofossining.org)), the Board of Trustees ([bot@villageofossining.org](mailto:bot@villageofossining.org)) or Village Manager Debbie McDonnell ([dmcdonnell@villageofossining.org](mailto:dmcdonnell@villageofossining.org)).

### Rehabilitating Our Historic Double Arch

At this week's Work Session, we'll get an update from Village Engineer Paul Fraioli on the Broadway Bridge Rehabilitation Project planned for 2018. Anyone who has walked the Sing

Sing Kill Greenway will be excited to know that soon the ugly netting will be gone. The lower arch will get the repairs and engineering upgrades it needs, as well as historically appropriate aesthetic upgrades to make our iconic Double Arch Bridge more beautiful than ever.

On Behalf of the Board of Trustees,

Victoria Gearity, Ossining Mayor
