“Ossining in 3D” Bicentennial Photo and Map Art Show Guided Tour Saturday, April 20th - 2:00pm

John C. Wunderlich, President of the Ossining Historical Society and Curator of the Ossining Bicentennial Photo and Map Art Show will be leading a guided tour of the exhibit on **Saturday, April 20th at 2:00 p.m.** Join Mr. Wunderlich as he explains location, details and interesting facts about the exhibit. Also during the tour the bicentennial journal “*The Ossining Story: a Bicentennial Celebration 1813-2013*”, a 160 page booklet of photos and history of the Village of Ossining, will be on-hand and available for sale at \$10.00 each.

Please note, limited edition photographs and maps selected from the exhibit have been professionally reproduced and will be available for purchase. Reproductions of the Ossining Historical Society’s painting by Robert Havell, Jr. “Hudson River North to Croton Point” and the Hugh Reinagle “Village of Sing Sing 1830” will also be available for purchase. (The prints are archival pigment prints, printed on Ultrasmooth Paper which is a 100% cotton hot press acid free paper.)

The event will take place in the gallery of the Ossining Public Library, 53 Croton Avenue, Ossining. All are welcome and the event is free.
