### Briarcliff Library's Teen Advisory Board (TAB)

**What:** This group of high school students makes fun events happen for their peers at the public library and take part in everything from brainstorming, to planning, to advertising, to setting up and finally to enjoying the great event! Also help us serve you and your peers better by recommending what you think we should have at the library. We are always open to any new projects that you think TAB and the library should take on so that the library is a welcoming place for high school students. Meetings are held at the library on the first Sunday of the month from 4-4:45 pm. Shorter meetings are held on Thursdays after school in the cafeteria at Briarcliff High School. You do not need to attend all meetings to be a member. Come to what you can and let your voice be heard! If you are new to the group, please contact Amy Kaplan before coming to your first meeting.
