# The ssining Documentary & Discussion Series

**FREE!**

**THE EMPOWERMENT PROJECT** is the incredible journey of a crew of female filmmakers driving across America to encourage, empower, and inspire the next generation of strong women to go after their career ambitions.

Driving over 7,000 miles from Los Angeles to New York over the course of 30 days, the documentary spotlights 8 positive and powerful women leaders across a variety of lifestyles and industries. In celebration of the all-female focus in front and behind the camera, the filmmakers turn the camera on themselves, capturing their transformational journey. The film challenges the audience to ask themselves, "What would you do if you knew you would succeed?"
