Community Connections

Open Office Hours with the Mayor will take place tomorrow from 10am-12noon in the Board of Trustees office on the first floor of Village Hall. No appointment is necessary, and all are welcome to discuss any topic, concern or idea of interest to you.

Have a burning question or idea, at any hour of the day or night?... Email me (mayor@villageofossining.org), the Board of Trustees (bot@villageofossining.org) or Village Manager Debbie McDonnell (dmcdonnell@villageofossining.org).

Work Session

At this week's work session Manager McDonnell will share recommendations for modifications to parking regulations in particular areas of downtown. Most folks agree that parking challenges need to be addressed on a number of levels, and in many neighborhoods. The village streamlined the process a few years ago for changing parking regulations of the nature being proposed this week. What used to require a legislative change by the Village Board which can take several weeks to implement, now is a simple recommendation by the village manager that comes to us as a resolution to be voted on. Work sessions are forums when the Village Board meets with staff and experts to get informed on potential action to be taken, and generally is not open for public comment. However, the public is invited to attend in person or to watch the meeting on television, [the village website](#), or [YouTube](#).

With Regards,
