Highlighting Earth Friendly Practices; Paving Season Underway; and Lessons from NYCOM

Have you visited Village Hall recently? The lobby is filled with exciting news about the earth friendly practices happening in Ossining.

Paving continues today on Underhill Road. [Click here to find the latest information about roadwork.](#)

Last week's work session agenda concluded with a discussion of the valuable takeaways from the NYCOM (NY Conference of Mayors) annual meeting that several of us attended earlier in the week. Deputy Mayor Levin, Trustees Quezada and Bazemore, Corporation Counsel Kahan and I shared highlights from the programs we attended that we feel

may be helpful in our efforts here. Learning from colleagues and experts across the state is an important way to improve our ability to serve the people of Ossining. [Click here to view this discussion.](#)

Community Connections

Open Office Hours with the Mayor will take place tomorrow in the Board of Trustees office on the first floor of Village Hall from 10:00am until 12:00noon. No appointment is necessary, and all are welcome to discuss any topic, concern or idea of interest to you.

Have a burning question or idea, at any hour of the day or night?... Email me (mayor@villageofossining.org), Acting Village Manager Paul Fraioli (pfraioli@villageofossining.org) or the Board of Trustees (bot@villageofossining.org).

Wednesday Meeting

This week's legislative session begins with a special presentation to remind folks about Boating Safety Week. As a riverfront community, we take boating safety very seriously. [Click here for boating safety resources.](#)

This week we will also have two public hearings. One is related to a proposed local law that would establish positions for "alternates" to be appointed to land use boards. The other is for a special waterfront permit that has been requested by the developer of the proposed project on State Street known as Hudson Steppe. This applicant is also appearing before the Planning Board and the Zoning Board of Appeals. To view the applications submitted to these boards in December, [click here for the recent Planning Board agenda](#), and [click here for tomorrow's Zoning Board agenda.](#)

To read the full agenda for this week's Village Board legislative session, click [here](#).

Because this week is a legislative session, there are a number of invitations for community members to offer comments. If you would like to spread the word about an upcoming event, please take up to two minutes during Organizational Announcements. Folks who would like to comment on the resolutions included on that night's agenda may do so for up to four minutes at the start of the Village Board Resolutions portion of the meeting. The meeting closes with an invitation for community members to comment for up to three minutes during Visitor Recognition about any topic of relevance to the common good of the Village.

With Regards,

Victoria Gearity, Ossining Mayor
