Safer Roadways & Future Innovation

This weekend the final touches on Underhill Road were completed. Notice the fog lines creating the enhanced curb lanes? These make a busy road like Underhill safer. And as always, remember to share the road! The next Village road to be paved will be Odgen in the coming weeks. [Click here for information about roadwork.](#)

At last week's legislative session, the Village Board passed a resolution in support of [Entrepreneurship for All \(EforAll\)](#), a business accelerator for our downtown. This opportunity to support the Village's economic goals, was presented to us by the leaders of Ossining Innovates!, a grassroots organization dedicated to fostering entrepreneurship in our community.

Community Connections

Open Office Hours with the Mayor will take place tomorrow from 10am-12noon in the Board of Trustees office on the first floor of Village Hall. No appointment is necessary, and all are welcome to discuss any topic, concern or idea of interest to you.

Have a burning question or idea, at any hour of the day or night?... Email me (mayor@villageofossining.org), the Board of Trustees (bot@villageofossining.org) or Acting Village Manager Paul Fraioli (pfraioli@villageofossining.org).

How would you invest \$10M?

The Village is applying, once again, for the \$10M Downtown Revitalization Initiative (DRI) from the NY Department of State. We have applied all three years the DRI has been offered, and have been finalists twice. The Mid-Hudson Region is the most competitive of the 10 regions across NYS. We have received positive feedback from the Regional Economic Development Council that oversees this process, and believe this could be our year! We're hoping you will help be part of the success. Tell us, how would you invest \$10M in Ossining's downtown and waterfront? [Click here to respond to a brief survey.](#)

This week's work session is being postponed until next Wednesday, May 29.

With Regards,

Victoria Gearity, Ossining Mayor

Connecting our Community: Moving Ossining Forward

Join the Village to discuss its future and ways in which you can be a part of designing and creating a plan for tomorrow.

WHEN:

June 4, 2019 @ 7 PM
Ossining Public Library
53 Croton Ave,
Ossining, NY 10562

WHAT:

The **Village** is looking ahead and making plans for the **future**. It is updating its **Comprehensive Plan**,* which hasn't been modified since 2009. Come out to learn more about **what** a Comprehensive Plan is, **what** the Village's plan currently looks like, **why** the Village is seeking to update it, and **participate** in breakout groups to **assist** the Village in understanding best ways to collect **community** information and feedback.

Light refreshments will be provided

* Comprehensive Plans guide growth in the community by establishing how land should be used, defining building size and density regulations, developing urban design standards, providing transportation improvements and community facilities, determining what preparations for climate change are necessary, and by addressing other matters of public policy.

To learn more, go to villageofossining.org and click on **Comprehensive Plan**

Let's Plan Ossining's Future

How do you envision Ossining's future? Would you like us to be the most green community in the Hudson Valley? Are you interested in seeing more innovative new businesses opening up? Do you want to have a voice in what kind of development happens in the coming decade?

Join us on Tuesday, June 4 @7PM in the Ossining Public Library as we kickoff the Comprehensive Plan Update!

[Click here to learn more about the Comprehensive Plan Update process.](#)
Community engagement is critical to the success of this effort!
