Comp Plan Update Underway

Thank you to everyone who participated in last week's Comprehensive Plan kickoff meeting. It was terrific to see so many folks come out—familiar faces and new faces. If you would like to view the presentations from the Information Session, [click here](#).

Trustee Manuel Quezada, Village Manager Karen D'Attore and I joined Village Planner Tracey Corbitt at the Village Fair on Saturday. This was an opportunity to continue the conversation and share ideas about Ossining's future. If you're interested in keeping informed about the Comprehensive Plan update, and

perhaps serving on a committee, [click here](#).

Last week's Village Board meeting included a Public Hearing related to the proposed Hudson Steppe development on State Street. [Click here to view that portion of the meeting](#). The Public Hearing will continue on the June 19 meeting.

Work Session

This week we welcome Karen D'Attore as our new Village Manager. Today was her first day. Wednesday will be her first public meeting in her new position. [Click here to read the full work session agenda](#).

Work sessions are forums when the Village Board meets with staff and experts to become informed on potential action to be taken, and generally is not open for public comment. However, the public is invited to attend in person or to watch the meeting on television, [the village website](#), or [YouTube](#).

Have you taken a drive along Ogden Road? The finishing touches will happen this week. You may have also noticed that the Village undertook drainage work on NYS Rt 134/Dale Avenue, which resulted in some most welcome repairs. [Click here to keep informed about road work.](#)
