### NOTE:

- 1.) This preliminary opinion of probable construction cost has been prepared based upon plans prepared by VHB.
- 2.) The unit pricing included is appropriate and is based upon available pricing indices or this firm's historical experience in the general geographical area as a result of same, it is only approximate. For utilization as a budget estimate, same must be updated by current market conditions and other constructability factors.
- 3.) This opinion of probable construction cost excludes costs that may be associated with the dewatering, unforeseen sub-surface conditions, environmental conditions, earth work, adverse weather conditions, material requirements, temporary utility installations, electrical transformer costs, water meter costs, etc. This estimate is not to be utilized for proforma or finance purposes.
